WHO WE ARE

FC Platinum t/a FC Platinum Holdings is a company limited by guarantee incorporated in January 2014 with the aim of supporting sporting activities within the Midlands province. Consequently, the entire profits of the company are channeled to sporting initiatives, the primary beneficiary being FC Platinum (the football club).

FC Platinum Holdings partly funded the operations of FC Platinum (the football club) in 2014 and has been fully funding the football club since the 2015 Premier Soccer League season.

The company has three operational divisions; these being:

1. Platinum Precision Engineering
2. Labour Contracting
3. Platinum Hospitality Services

VISION
To become Zimbabwe’s premier engineering, labour contracting and hospitality services provider while ensuring safety, health and environmental protection in all our operations.

MISSION
To exceed customer expectations through superior engineering solutions, labour contracting and hospitality services.

VALUES
We identify ourselves with the following values:

- Integrity
- Professionalism
- Teamwork
- Innovation
- Safety
- Quality
- Transparency
- Diversity

Supporting services include Safety, Health and Environment (SHE), Human Resources, Finance, Procurement and Information Technology.
The company is headed by the General Manager who reports to the President. The General Manager is supported by five departmental heads as shown below.
Over the short period of operation, FC Platinum Holdings has managed to attract highly skilled and experienced personnel. These are:-

Fani T. Mafarachisi – General Manager  
(BCompt, ZCTA, Part I and Part II FQE, ICAZ)

Fani joined FC Platinum as Group Administration Manager in May 2014. He was subsequently appointed to the position of General Manager on 1 April 2016. He graduated with a Bachelor of Accounting Sciences (BCompt) degree from University of South Africa. He has obtained further qualifications, a Postgraduate Diploma in Applied Accounting Sciences (ZCTA) and is an Articled Accountant, trained by Deloitte & Touche Chartered Accountants, Kwekwe office.

Fani trained with and worked for Deloitte and Touche for eight years and rose through the ranks to become Audit Manager responsible for mining clients. Whilst with Deloitte, he was also seconded to Deloitte Middle East in the Dubai office and Deloitte Zambia in the Lusaka Office. He has also worked as the Finance and Administration Manager for RioZim’s Empress Nickel Refinery Division in Kadoma. Having completed the requisite training and passed the Final Qualifying Examinations (FQE), Fani is awaiting admission into the Institute of Chartered Accountants (ICAZ) to be a Chartered Accountant (Zimbabwe).

Ephraim R. Chirewa (Pr. Eng)  
Engineering Superintendent

Ephraim is a holder of a BSc (Honours) degree in Mechanical Engineering from the University of Zimbabwe. He is a member of the Zimbabwe Institute of Engineers (ZIE) and Engineering Council of Zimbabwe (ECZ). Ephraim has over fifteen years experience in maintenance and project management gained within the mining and mineral processing industries. He has worked for Zimasco, Bindura Nickel Corporation and Mimosa Mining Company in both Project Management and Maintenance Management roles. He has also worked as a maintenance consultant for a management consultancy in South Africa. Ephraim has working knowledge of the ISO 14001 AND OHSAS 18001 Business Management Systems.
Patience R. Duri (ACCA)  
Finance & Administration Superintendent

Patience is a seasoned finance Professional, an astute Planner, with notable experience in Working Capital Management Cycles, Management Information systems, Budget Planning and Forecasting, Auditing, Project Management and Accounting Information Systems.

Patience is a Certified Public Accountant, full member of ACCA and a holder of an Accounting Degree from Midlands State University (Zimbabwe).

As recognition of Sterling contribution to the Accounting Profession, Patience was recently nominated for the Women in Business Leadership Award 2018, in the Finance and Accounting category.

Chipo Mhanga  
Hospitality Superintendent

Chipo holds a Diploma in Human Resource Management from the Institute of Administration and Commerce (IAC). She is also studying towards a Higher National Diploma in Tourism and Hospitality and is a member of the Hospitality Association of Zimbabwe (HAAZ). Chipo has 10 years experience in the Hospitality industry. Over the years, she has held various positions in the industry as Sales and Marketing Manager at Flame Lily Lodges and Lodge Manager for Nichrut Lodge where she received a ZNCC AWARD for Best Hospitality Company in the Midlands Region 2013. She later joined Servcor (Pvt) Ltd (Mines Division) as Marketing Officer, rising to the position of Site Manager at Servcor Happy Eater Gweru in 2015.

Chipo joined FC Platinum Holdings as Hospitality Superintendent in 2015. She has working knowledge and appreciation of ISO 9001:2008 Quality Management System (QMS), ISO 14001 and OSHAS 18001 Business management system as it relates to the hospitality industry.
Moses Mujakachi
Human Resources Superintendent

Moses has a Bachelor of Science Honours Degree in Politics and Administration (University of Zimbabwe), Post Graduate Diploma in Law (Conciliation and Arbitration) (University of Zimbabwe), Post Graduate Diploma in Industrial Relations and Labour Studies (Zimbabwe Open University), Diploma in Training Management (Institute of People Management of Zimbabwe), Certificate in Labour Law (Stratways Management Consulting (Pvt) Ltd and National University of Science & Technology, Zimbabwe). He is currently studying for a Higher Diploma in Human Resources Management, with the Institute of People Management Zimbabwe.

Moses is an Appointed Independent Arbitrator, a full member of the Institute of People Management of Zimbabwe (IPMZ), a former member of the Local Joint Committee (National Employment Council For the Commercial Sector Zimbabwe), a former Examiner of the Institute of Logistics and Transport Management (UK). Moses has over 25 years human resources management experience, having extensively worked in the Labour Contracting Industry (South Africa), Construction Industry, Security Industry, Manufacturing Industry, Clothing Industry, and the Public Service in Zimbabwe.
BACKGROUND AND OBJECTIVES
FC Platinum Holdings commenced labour broking operations in July 2014. It specialises in providing and supplying skilled and unskilled labour to clients. Our employees are assigned to our clients for a fixed duration; according to the timelines prescribed by the client therefore entailing huge financial savings on the part of the clients. Our staff who are experts in their various interrelated fields; are well endowed with the capacity of managing labour outsourced in various sectors or industries. Some of our clients include some of the largest mining companies in Zimbabwe.

AIM
The department aims to be the leading labour broker in Zimbabwe; serving the needs of clients across all industries and providing employment for the nation’s citizens.

WHY UTILISE US
- We have managed to efficiently discharge our responsibilities and mandate with some of the largest mining companies based in Zimbabwe.
- We have an accomplished team of experienced human resources practitioners who are equipped to handle complex labour issues.
- We are empowered to handle all aspects of the client’s workforce (including their payroll functions); therefore allowing clients to focus on their core production business without worrying about extra administrative human resource and payroll work.
- We have the requisite experience in supplying and managing the workforce required for plant maintenance shutdowns. Our labour pools include qualified people in the form of artisans and assistants who can deliver results in an efficient manner consistent with your requirements.
- We have in place mechanisms and working systems that allow our clients to reduce their labour demands as and when the need arises; thus ensuring that the clients do not have to go through the lengthy and cumbersome process of employee separations.
Corporate Profile

LABOUR BROKING

- We have the capacity to manage casual workers as required by the Labour Act.
- We have expertise and experience in managing labour related issues and this reduces the threat of our clients facing litigation.

ADVANTAGES OF LABOUR BROKING
- It is an avenue that can be utilized to avoid retrenchment of employees.
- Helps the client manage employees on probation whilst assessing their competencies.
- Makes employees available for specific tasks and for a specified period.

OUR SERVICES
- Recruitment
- Absenteeism And Leave Rules Management
- Compensation Management/Payroll Administration
- Discipline And Disciplinary Hearings
- Contracts Of Employment Management
- Training And Development
- Industrial Relations
- Grievances Procedures
Platinum Hospitality was established in 2014 and provides village management, hospitality and catering services to various stakeholders. We tailor make our services to ensure clients receive full value.

VISION
Our vision is to become the leading Zimbabwean Hospitality services partner with a guarantee for ultimate excellence.

MISSION
Our mission is to provide cost effective and efficient catering solutions to our clients; coupled with superior hospitality services.

VALUES
- Team work
- Transparency
- Quality
- Integrity
- Innovation
- Excellence

OBJECTIVES
- Offer the ultimate village management solutions so that clients may focus on core production business.
- Deliver first class catering services.
- Provide our clients with suitable and cost effective solutions.
- Continuously leave a footprint of excellency.
